

BUILDS TEAMS

Growing Leaders Starter Toolkit

DEFINITION – Builds cohesive, mutually supportive, diverse teams that apply their skills and perspectives to achieve team goals.

*Overfunctioning – two-thirds of weakness is the overuse or misuse of strength. Overfunctioning occurs when one’s talent, skill, or knowledge causes problems for you or others.

[=] SKILLED	[-] UNSKILLED	[+] OVERFUNCTIONING*
<ul style="list-style-type: none"> • Attends to trust and relationship building. • Contributes to team morale and inclusive space for all members. • Leverages strengths, motivations, and talents of the team appropriately. • Attends to results, outcomes, and goals. • Proactively engages conflict and interpersonal dynamics. • Celebrates successes, risks, and failures to foster a learning culture. • Empowers team members to finish and be responsible for their work. 	<ul style="list-style-type: none"> • Fails to include all team members or make space for their contributions. • Turns a blind eye to interpersonal dynamics or seems unaware of tensions, conflict, and allegiances on a team. • Is unable to navigate the balance between relationships and tasks. • Is unaware of the stage of team development. • Micro-manages individuals • Gathers individuals to contribute but does not create a collaborative team. • Doesn’t hold team members to agreed-upon commitments. 	<ul style="list-style-type: none"> • Is unable to accomplish goals due to inappropriate time spent on collaboration. • Ignores team members’ developmental needs or emerging talents. • Does not allow for healthy conflict. • Is unable to make a difficult decision out of a desire to please everyone.

EXAMPLES IN INTERVARSITY

- Leading staff/student teams on a Global Program or Urban/Justice Program
- Building a volunteer team
- Small group leadership

This toolkit can be used to help staff frame development goals and plans to strengthen their use of this competency. It is not intended to be used for reviewing performance.

- Project-based team leadership
- Taskforce participation
- Conference planning team
- Staff retreats
- Trust-building exercises
- Hiring and firing
- Team check-ins

SUGGESTIONS FOR DEVELOPMENT

- Lead a working group or planning team.
- Lead a Global Program or Urban/Justice Program.
- Participate in team building exercises/simulations and develop robust debriefing skills.
- Identify and leverage team strengths through the StrengthsFinder assessment.
- Get feedback from individuals who ~~that~~ have been part of your team or under your leadership.
- Practice leading and engaging in virtual meetings.
- Reflect on positive and negative team experiences and create a personal best-practice list.
- ~~Study 1 Corinthians 12.~~
- Invite a mentor to observe one's leadership and give feedback.
- Facilitate a book study among team leaders for one of the suggested readings.

BENEFITS FOR 2030 CALLING

- Non-traditional teams comprised of volunteers and other ministry partners will require more agile structures and robust team leadership.
- Increased collaboration through healthy teams will spark creativity and perseverance for the task ahead.

This toolkit can be used to help staff frame development goals and plans to strengthen their use of this competency. It is not intended to be used for reviewing performance.

- Building teams with healthy interpersonal dynamics help staff thrive, feel cared for, and included - the direct result will be less turnover and staff retention.
